OUR SERVICES

PERFUME PACKAGING

Tending to the packaging needs of diverse businesses in the perfume and cosmetic industry of the UAE, AL YAQUEEN has carved itself a unique space for itself. As one of the most sought-after and chief manufacturers of Perfume Boxes, we cater to even the most stringent, taxing and demanding requirements of the clients at economic prices only we can offer. As a responsible business that values the needs of the clients above everything else, we bring to the fore a unique confluence of innovation and quality to incessantly proffer our clients with the go-to place for all their packaging and incredible designing requirements. We have learned from our matchless experience that the customers across the industry are in pursuit of flawless, inventive and uncompromisingly value-adding packaging for fragrance, perfumes and cosmetic products now more actively than ever before. As such, it has become profoundly important for the fragrance brands to meet and exceed their expectations ceaselessly to be in the market.
